October is Domestic Violence Awareness Month

Domestic violence—also known as intimate partner violence—impacts millions of people annually in the United States. This includes women, men, and children.

Domestic violence happens everywhere, including right here in Bergen County.

**OF BERGEN COUNTY HOMICIDES
ARE LINKED TO DOMESTIC VIOLENCE**

Last year, Center for Hope & Safety served 1,556 individuals and answered 5,138 calls to our free 24/7 hotline. Our Safe House Program sheltered 93 adults and 47 children, with an average length of stay of 92 days. Our Community Services team served 277 adults and children with safety planning, career counseling, financial literacy, and more, while our Legal Services team served 363 individuals on 669 legal matters.

How can you help?

Walk with us on Saturday, October 24, for a family-friendly 3K walk through Van Saun Park in Paramus to show your support...

- For all the adults and children who are living with abuse
- For all the survivors who are on their journey to safety and hope
- For all the family members and friends who support those impacted by domestic violence
- For all the emergency, medical, and mental health professionals who support the path to healing
- For all those who have lost loved ones because of domestic violence

We walk for hope, safety and change.

- Your participation will support the work of Center for Hope & Safety's comprehensive suite of services that allow our clients to rebuild their lives.

Our Walk is a festive event of solidarity and support.

- Everyone wears purple — the color for domestic violence awareness — in fun and creative ways.

Register for our walk on the back of this flyer. Together let's spread domestic violence awareness and increase prevention in Bergen County.
